After School Program

Wii

Due to the high demand for after school programs, we at Twisted Sports decided to include this service to our membership base making our program very attractive.

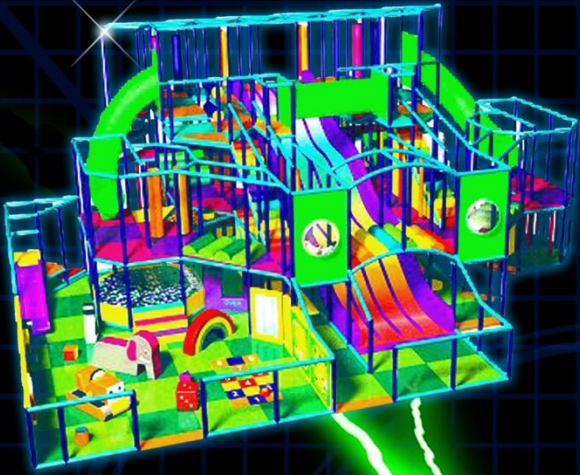

3-6pm is a great time of day for kids to focus on physical activity. This time of day is the known as the "danger zone".

Soft Play and Learning Centre

Day care centres often look for fun places to take their kids. Twisted Sports offers activities for all ages and abilities.

The addition of the Twisted Sports soft play area enables us to attract Moms and their young ones for their daily activity and social interaction.

Included in the soft play area is an interactive learning station that engages young ones to stimulate early childhood development.

School Field Trips

Cutting back physical education programs in school creates opportunities for companies like Twisted Sports.

Because our goal is to energize kids via fitness entertainment, Twisted Sports has been authorized a rare opportunity to market in the school systems.

Twisted Sports is also designed to take the field trip experience right to the schools.

We support the schools by offering free busing as this is one of their their biggest hurdles.
