PHARAOH QUEST

CURSE OF THE LOST TOMB

Themed Laser Tag Arenas

THEME: PHARAOH QUEST

Theme Description:

The Pharaoh's ancient chamber has been opened and the Curse of the Lost Tomb has descended... Set amongst the treasured beauty of the tomb of Ra-Amen Ka, one of Egypt's most powerful pharaohs, the winding passageways and gleaming chambers offer riches beyond imagination. However, unless you lift the Curse of the most potent ruler to hold a golden scepter, these corridors may become your final resting place.

Your quest to unlock the secrets of ancient Egypt and lift the Curse begins in the stone antechamber briefing and vesting areas. Encompassing these rooms are glowing airbrushed graphics of colorful hieroglyphs, ancient Egyptian symbols, and historic writings. Protruding from the walls and adorning these rooms are 3D props that appear as large sandstone blocks, wall medallions, and stone carvings.

Leaving the relative safety of the antechamber rooms, you venture out into the passageways and recessed alcoves of the arena to start your adventure. Among the maze of large stone blocks, hanging scarab beetle medallions, and carved stone columns, an array of glowing hieroglyphs and carved symbols adorning the sandstone walls begin to tell the story of the powerful Curse overshadowing these chambers. Blown-out sections of wall expose distant scenes of the Egyptian landscape and show the way to your desired escape.

Tread carefully under large fallen stone blocks and make your way to the golden pharaoh sarcophagus to find more clues. Protect yourself from enemy raiders of the tomb, decipher the clues, and lift the Curse to win your freedom.
